The Village of Wheeling Joins Northwest Central Dispatch System

Northwest Central Dispatch System (NWCDS) is proud to add the Village of Wheeling as members. Wheeling becomes the 13th member community serviced by NWCDS. The Wheeling Police and Fire Staff worked together with NWCDS for the last two years to ensure the transition to NWCDS went smoothly. As of January 9, 2025, at approximately 1000 hours, NWCDS began answering 9-1-1 calls and dispatching for the Wheeling Police and Fire Department. NWCDS is proud to serve the citizens of the Village of Wheeling. More information about NWCDS can be found on our website at www.nwcads.org. Any additional questions can be emailed to John Ferraro, Executive Director at jferraro@nwcads.org.
